Please join Elek Miller and Pete Felmly of Drummond Woodsum's school law team for a free webinar to discuss the pay and leave issues generated by the COVID-19 pandemic.

Topics expected to be discussed during this webinar include:

- Governor Mills's directive of March 19, 2020 to pay hourly employees who are available for work
- Federal Emergency FMLA Expansion Act of March 18, 2020
- Federal Emergency Paid Sick Leave Act of March 18, 2020

We will review the contours of each of these developments and discuss how they intersect. We will also address the many questions we have been receiving through a question and answer format.
